

# **BLOCKADER**<sup>®</sup>

## Basic Push Cart

Holds 8 barricades and can be pushed by hand

Save time and labor costs when you need to move small quantities of barriers. Using this cart, one person can push 8 barriers, rather than moving one barrier at a time-saving time and manpower

Push cart without barriers

Push cart with barriers

- Cart made of heavy-duty, hot dip galvanized steel
- Width of less than 48" allows easy doorway access
- Easy access "T" supports for quick loading
- Knocks down easily for long-term storage

Push cart used in conjunction with a pull cart
